

## Instant Filter Cleaner

Fortnightly or when required

### What is it?

Lo-Chlor Instant Filter Cleaner has been specifically designed to be used as part of the regular cleaning routine for both pool and spa cartridge filters.

### Who needs it?

- Every swimming pool, spa or hot tub owner to regularly clean cartridge filters.
- Every serviceman should carry it in their vehicle. If your client has a spa or hot tub as well as a pool you'll be able to assist them with both.

### What does it do?

- It quickly removes debris, oils, body fats and dirt utilising a unique "No Soak" formula to minimise down time of your pool, spa or hot tub.
- For heavy usage Instant Filter Cleaner should be used on a fortnightly basis or more frequently.

### What advantages does it have over other similar products?

- Instant Filter Cleaner is specially formulated with enhanced cleaning ability.
- Unique Non Soak formula reduces down time, on the pool or spa/hot tub, ensuring maximum use by the owner. Traditional products mean you have to soak your filters overnight.
- The 15 minute application time allows more time for additional service calls for the serviceman.
